**THE DEEP END ~ THE OPEN DOOR**

How do you pray? Is there a right or a wrong way of doing it? Should we pray lying in bed or kneeling at the altar, alone or in company, in the church or out in nature, in stillness and silence or with tambourines and songs of praise?

The first disciples weren't quite sure how to go about things, and today we see them approach Jesus to ask him 'Lord, teach us to pray'. In response, he gave them the words of what we now know as the 'Our Father'. But he had some more advice for the disciples too – keep praying! If you were to call on a friend for help in the middle of the night, Jesus says, your persistence alone would convince him to help. If a child asks for food, his parents will naturally grant him what he asks for. The message is clear – we just have to keep asking.

Jesus often withdrew to quiet places to spend time alone in prayer, and we know from the Passion accounts that he cried out to God in moments of anguish and desperation. There are many different ways to pray. It matters less where and how we choose to pray, than the fact that we choose to pray at all. If we keep asking, if we keep the lines of communication open, God will grant us what is good.
